Paula,

Can you please confirm with Melissa and let me know if I'm doing a Congressional notification? We need to ensure that Regions 6 and 9 know that we are doing a notification this evening as well.

Thanks,

Rebecca

**Subject:** RE: data release tonight?

PM OPs call was canceled so, aside from the Work Plan docs currently with OGC, I'm not aware of anything else coming out tonight.

We've had multiple requests for the GKM Work Plan (and related docs) so Suzanne Bohan was reaching out to David O and urging him to approve posting these docs on the web. I'm not sure where his approval stands but there are – we believe – four docs currently with OGC for review/redaction. As soon as Tim gets the okay, he's going to post them on the website and I'll give Bruce a call or shoot him an email. He said if he doesn't get the Work Plan today he's

writing that EPA refused to release the Work Plan, even after Shaun (allegedly) stated it was a public document and (allegedly) personally committed to getting Bruce a copy, so hopefully this will get posted this evening.

**Subject:** data release tonight?

I'm still here. Was redirected by Joan to stay and help with messaging and Qs and As.

Are we expecting a data release tonight to send to congs and media and stakeholder list, or no?
